

ZRX - ROLLER / CRIMPER

www.undergroundagriculture.com
888.871.3296

A heavy-duty roller/crimper, with integral row cleaners, for the mechanical termination of green covers with your row crop planter or strip-tiller. The ZRX also works well for the management of corn stalks, bean stubble, and other row crop residue.

Note: Model dimensions are given at the top of travel.

* Dimension changes as unit moves through travel.
